Dear Tom,

Prompted by the enclosed review of Liza Featherstone's Students Against Sweatshops (Verso), I warmly recommend the immediate establishment of a subject heading for

Student Antisweatshop movement.

x Antisweatshop movement, Student  
Students against sweatshops movement

xx Student movement.  
Sweatshops

Also useful would be a descriptor for

Sweatfree products.

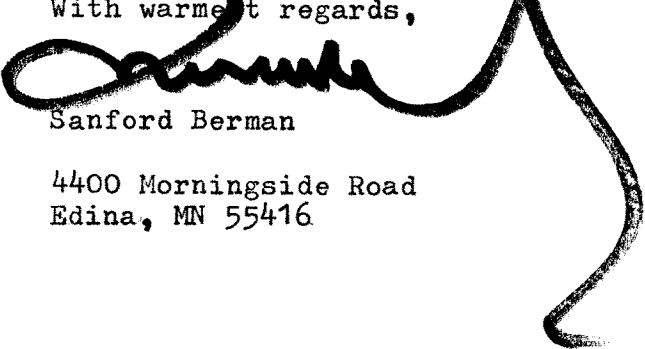

pn Here are entered materials on products  
made by cooperatives or by union labor.

x Nonsweated products  
Sweat free products

xx Products  
Socially responsible purchasing

This form could readily be applied to Coop America's National Green Pages, a Directory of products and services for people and the planet and to catalogs issued by the garment workers' union, UNITE!

With warmest regards,
